

INTRODUCTION

Charlie Singleton

If you're familiar with the world renowned musical group Cameo, then you'd know that there are two things that stand out... the legendary red cod piece, and the famed masked man on guitar. **Charlie Singleton** is the man behind the mask and his signature style has been dazzling audiences for decades. His musicianship along with his accomplishments as a writer and producer solidifies him as one of the most influential musicians of his generation. Now Charlie embarks on his solo "PHANTOMANIA" tour, which is sure to captivate audiences and take the world by storm. His custom one of a kind guitars, coupled with his wild attire and commanding stage presence is visually stimulating. Charlie's repertoire consists of many songs from his 5 solo albums, fused with decades of top 10 Cameo hits. From Candy to Word Up, prepare to be amazed and experience a Funk Rock phenomenon that will have you dancing in the aisles and partying down memory lane. Witness the rebirth of an iconic revolution... Experience PHANTOMANIA.
